

Julie's PINK Marketing:

How to Go Pink, Ponder Pink or even just Think Pink....

P	PRODUCT SALES	<p>At appt say...we earn \$30 to \$50 an hour per appt At meeting...we earn 50% commission on sales. MK is Recession Proof-we can handle being broke but not broke and ugly. MK includes a Large Target Market—everyone with skin is a potential client MK is a Daily Consumable product—every morning you put it on and every night you take it off. We have Customers for Life not just one time sales.</p>
I	INCOME POTENTIAL	<p>4-69% Commissions from the company. Show the Applause and Director Checks plus NSD checks like Dacia who earned NSD in 5 years at 26 yr old. Cars are true company cars...other direct sales offer car allowances but winners still have to qualify for those Mercedes or Lexus. You could be in foreclosure on your house and pick up a brand new Pink Cadillac.</p>
N	NOTHING TO LOSE	<p>Ask them to write 90-100-200 MK has a 90% Bail out if you decide to quit MK then they will take back your last 12 months of orders and give you back 90% of what you paid...this is like Life Insurance, good to have but you never want to use it because once you do, you are dead to MK. ☺ You can't ever rejoin. 100% Satisfaction Guarantee! You are offering a product backed by a 2.5 billion dollar company...they won't give us anything but the best to sell plus...think about it...they even guarantee your recommendations...which is why we strongly suggest that you go through training. \$200 is your once-a-year minimum order. Even if you try it and decide it's not for you, you can stay a consultant ordering for you and a few for just \$200 once a year. So you really have nothing to lose.</p>
K	KIT IS JUST \$100	<p>You get over \$150 in samples, testers, cds, dvds, brochures, sales tickets, profile cards all in 2 two totes. Plus enough demos to do a minimum of 30 faces...if you sell just \$50 per person then you'll profit over \$700 with just the kit and adding cottonballs. AND THEN...MK throws in \$323 in Free Product to Demon on customers. Now you truly have nothing to lose to give it a try...</p>
