Cupid has arrived with $500 CASH TO GIVE TO OUR UNIT!!!

Congratulations Powerful Pink Producers on your amazing success! We are just 5 months away from completing qualifications for our ***3rd trophy on wheels!***

Mary Kay is such an incredible company and is giving away $500 CASH to our unit when we reach our February 13% increase goal. ***YOU***, The consultants will WIN the cash…I will not be keeping a dime of it!

YOU are critical to our past, present & future success! I am asking that you commit to being a part of this huge success and help with this goal! There are 4 levels at which to play this month! Our goal is to fill every box with an order in February. As you can see, just a handful of orders at each level will finish the goal with ease!

What's the best way to make that happen! Whether you service your family and friends or have a solid customer base you can choose a goal and make it happen!

Valentine's Day is right around the corner and a perfect opportunity for you to sell product and make money for your family. So take advantage of this amazing selling season! Help your customers stock up on their skincare products

This car and Premier PLUS Club status is a report card that shows how well we play together! Let's show the company what our AMAZING unit can do!!

With Love and Belief in YOU!
